

School Refurbishment - Ceilings and Lighting

PROJECT TITLE	BCA Ceilings & Lighting Replacement
CLIENT	Bridgwater College Academy
PROJECT MANAGER	Futures for Somerset
CONTRACT VALUE	£260,094.00
DURATION OF WORKS	46 Calendar weeks (21 workings weeks - 4 phases)
COMPLETION	October 2016
PROCUREMENT METHOD	Under Hand
CONTRACT NO.	1612

The works involved removing various ceilings throughout the school buildings - some were of asbestos material and some were not but had to be removed in any case. A new lighting system to these rooms was installed through these areas. The works were completed in phases to enable the school to continue to function during these works. The works undertaken were in one main building and the sports hall entrance area. The asbestos ceilings were replaced with either suspended or plasterboard ceilings. A new electrical lighting system was installed including emergency lighting to various rooms as required.
