

## School window replacement

PROJECT TITLE	<b>Court Fields School Window Replacement</b>
CLIENT	Court Fields School
ARCHITECT	LED Architects
CONTRACT VALUE	£403,049,000
DURATION OF WORKS	22 weeks
COMPLETION	February 2018
PROCUREMENT METHOD	Open Tender
CONTRACT NO.	1620

The works involved the installation of new double glazed aluminium windows and doors to the three buildings on the school grounds, as well as the removal of any asbestos surrounding the windows or enclosed in the window panels, putty or mastic.

Block A – Windows & Doors were replaced on the ground, 1st and 2nd floors of this building.

Block B – Windows & Doors were replaced on Ground and 1st Floor.

Block C – Windows & Doors replaced to central Courtyard area only.

Window were replaced as per the enclosed architect as built drawings in section 4.

The lean to roof and rooflight areas above the library had to be repaired and replacement of four glazed pains due to the access required to install the scaffolding and issues with the replaced flat roof area height.
