

PROJECT TITLE	New Sports Pavilion, Norma Scott Park
CLIENT	Patchway Town Council
ARCHITECT	Bush Consultancy
CONTRACT VALUE	£1,200,000
COMPLETION	2022

The works involved the demolition of the existing sport pavilion and the construction of a new sport pavilion for the local community that has 4no team changing rooms, 2 multiuse changing rooms, external WCs, Café & Function room.

The construction of the New single storey sports pavilion was constructed approximately 900mm from the existing external ground floor level to enable a better view of teh Cricket square could be sourced from the café & patio area. The superstructure was constructed of blockwork & Brickwork, with a mono pitched truss roof and concrete tiles

The walls in the change room are painted face blockwork and tiled walls in the shower areas. The café, function rooms and kitchen walls are plastered and decorated with timber skirting and vinyl flooring.
