

<b>PROJECT TITLE</b>	Lawrence Weston Medical Centre
<b>CLIENT</b>	Pioneer Medical Group
<b>ARCHITECT</b>	Osmond Tricks
<b>CONTRACT VALUE</b>	£1.2 Million
<b>COMPLETION</b>	2021

This project has been a full refurbishment of a 1950's medical practice, and has included a large extension to the rear of the building.

The project has included vast alterations to the original building, and the installation of new mechanical and electrical services throughout, state of the art data and security services have also been fitted. New kitchens, bathrooms, WCs and sinks have been added throughout the building, solar panels have been added to the new extension. The roof was removed, felted and repaired and reinstated, plastering, carpentry works and decoration has been undertaken throughout the building, along with installation of medical equipment, fixed furniture and new flooring including vinyl.

Externally the building has been painted, while the grounds have undergone landscaping and the car park has been tarmacked, new fencing and gates have also been installed.
